10am-3:30am

Bob and Kay's Home

6505 Fincannon Road

## SCHEDULE

10-11:15 Heavenly Harmony (Novice+)

Rounds, Canons, and Partner Songs are fun ways to bring harmony to your dulcimer! Have you ever thought about “When the Saints...” and “Swing Low...” as partner songs? Yes, and you’ll love it!

11:30-12:45 It Takes Two (Novice +)

Looking for a recipe for simple harmony? Add two-finger chords! We’ll explore tunes that fret two strings at once to add to the beauty of a song.

12:45-1:45 Potluck Lunch

1:45-3:00 Taize: Rounds and Chants (Novice+)

We will be playing beautiful and meditative rounds and chants from the Taize Tradition. Not familiar with Taize worship music? Originally from a monastery in France, these peaceful and meditative songs can enhance any worship service OR simply be enjoyed at any time. Short songs that are repeated again and again give a meditative character.
